SARAWAT RASHID (born 1981) is working as a Deputy Director in Rural Governance and Gender Division of Rural Development Academy (RDA), Bogra. She started her career as a Research and Documentation officer in a NGO, named Shachetan from September 2004. Prior to join present organization, she worked as a Research Associate at Research and Evaluation Division of BRAC (the largest NGO). She obtained her bachelor (Honors) and masters in Anthropology from Rajshahi University, Bangladesh. She reasonably developed experience of working with different donors and international organizations. She visited many countries including Kenya, India, Sri Lanka, Indonesia and United Kingdom to participant different international seminars, workshops and training programs. She has substantial number of publications in different journals, reports, and monographs. Her research interest mainly focused on Public Health specially on Maternal, neonatal and Child Health (MNCH) and other Socio-economic aspects.
